

This coming June 19-22, 2017, the Philippines will be the host country of the ASIA ELECTRONICS FORUM or AEF to be held in Manila, Philippines. The Forum is an annual gathering of leaders of electronics industry associations in Asia to be participated in by countries such as Japan, China, Korea, Taiwan, HongKong, India, Israel, Australia and ASEAN member countries. This international event will bring together the leaders of electronics industry organizations from around Asia to exchange views on important issues affecting the electronics industries in the region.

Additionally, the Philippines will host the 50th anniversary of ASEAN in 2017. Department of Trade and Ministry will chair the ASEAN Electronics Committee on June 20, 2017. We are coordinating a joint meeting between the ASEAN Electronics Committee and our AEF.

In this regard, it is our pleasure to invite you to be a delegate in the Asia Electronics Forum. Please let us know who else will be joining you. The proposed activities during this event are the following:

June 19 (Monday) - Golf Tournament for AEF delegates and CEOs of semiconductor and electronics companies based in the Philippines ---Sta. Rosa, Laguna (1.5-2hrs drive from Sofitel)

June 20 (Tuesday) - AEF Internal Meeting; Meeting with ASEAN Electronics Committee (Sofitel Hotel)

June 21 (Wednesday) - Opening of the 14th Philippine Semiconductor and Electronics Convention and Exhibition (PSECE) SMX Convention Center, 10minute drive from Sofitel

June 22 (Thursday) - Taal Lake Cruise, Courtesy Visit to the Batangas Governor and Factory Visit to an Electronics Company Plant Visit, Taal Lake Cruise and Visit to the Governor Batangas – Batangas City, (1.5 to 2hr drive from Sofitel)
